Dear Business Owners,

Deer Valley Little League is a youth baseball program based in the North Valley of Phoenix. We play our games at Park Meadows Elementary School, located at 35th Ave and Loop 101. We offer a spring and fall season every year. Our emphasis is to promote sportsmanship, honesty, loyalty and courage in a safe and positive environment for young athletes, while teaching the fundamentals of baseball and teamwork.

To help with the operations of our league, we solicit assistance from the business community within our boundaries. We are a non-profit 501(c)(3) volunteer organization that relies on community support for the success of our programs. The funds raised through our sponsors allow us to make field improvements and to purchase safety equipment and other materials necessary to the game of baseball. Without the help of our sponsors, registration fees would need to be increased substantially, which would eliminate many from participating due to the lower socio-economic demographics of our league.

Sponsors are not required to participate in league activities and in no way assume liability for activities or events related to their sponsorship. Our sponsors are welcome to attend any league events if they would like to.

Thank you for your consideration in a sponsorship of Deer Valley Little League.

Sincerely,
